Description: Landmarks: An impeccable blend of building and environment
In the architecture of Richard Neutra (1892–1970), inside and outside find their perfect modernist harmony. As the Californian sun glints off sleek building surfaces, vast glass panel walls allow panoramic views over mountains, gardens, palm trees, and pools. Neutra moved to the United States...

Review: Good concise overview for Austrian turned American Architect, contemporary of Wright, Schindler, but with a more scientific approach to the profession than the former. A pity that maybe the most famous privately held house (shown on the cover), in Palm Springs, is not open to the public, so as to hinder further appreciation by a bigger audience, since...
